- ii Pandemic diseases and formidable epidemics are under the coverage of Government by law (Public Health Act, sections 12 and 30). MASM is subject to that law. However, with time, some pandemics might become endemic, for example HIV/AIDS, and covid 19. When such is the case, MASM will monitor the government directives permitting private health facilities to cover pandemic diseases because of lack of capacity. With time, MASM may advise special coverage at a benefit-limit sustainable to the Society, after an analysis.

## MASM EXCLUSIONS

"The interpretation of all the above rules in this brochure is as applied or operationalized by MASM. The letter and intent of these rules solely rests with MASM. If there are any doubts as to the applicability of these rules, please consult MASM before risking on a medical transaction which you are not sure whether MASM will cover or not. Where possible insist on a written preauthorization from MASM".
